SYMPHONY 485

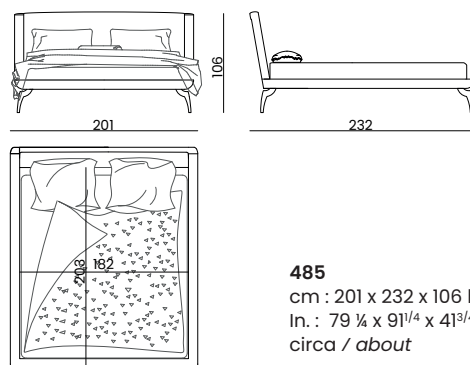

DESCRIZIONE PRODOTTO / PRODUCT DESCRIPTION

Il letto Symphony by BizzottoItalia è sinonimo di sofisticata eleganza. Le tonalità pastello delle laccature e la delicata nuance del legno di Erable accompagnano la morbidezza della testata imbottita, disponibile a scelta in pelle o in morbido tessuto. La forma sinuosa delle gambe suggerisce una sensazione di leggerezza che si abbina perfettamente alle forme arrotondate della struttura. Il sommier diventa così un'ampia cornice di appoggio che racchiude la morbidezza del letto. Un elemento d'arredo che si abbina perfettamente allo stile sobrio e alle tonalità dei comò e comodini della stessa collezione, per rendere completa ed esclusiva la zona notte.

The Symphony bed by BizzottoItalia is synonymous with sophisticated elegance. The pastel tones of the lacquers and the delicate nuance of Erable wood accompany the softness of the upholstered headboard, available in either leather or soft fabric. The sinuous shape of the legs suggests a sense of lightness that perfectly matches the rounded forms of the structure. The bed frame becomes an ample support frame that encases the softness of the bed. This piece of furniture perfectly complements the sober style and tones of the dressers and nightstands from the same collection, making the bedroom complete and exclusive.
