The Ginko bed by BizzottoItalia stands out for its sophisticated linear shape and leather headboard, enriched with vertical metallic inserts in a gold tone that harmonize elegantly with the refined structure. A repositionable and sliding element along the headboard highlights the embroidery on the leather, adorned with the unmistakable motif of the ginkgo leaf. The modular headboard is fully customizable according to personal preferences and is designed to integrate a suspended nightstand made of metal and glass, adding an extra touch of elegance and functionality.

The Ginko bed is the ideal choice for those who wish to combine style and practicality in a single, refined piece of furniture.
