Senses Kitchen

Comitted with our mission of shortening the distance felt between the indoor and outdoor areas, Myface has developed the **Senses kitchen**. Na outdoor piece whose main purpose is to bring to the fore every sensation: the flavour of our favorite dish, the euphoria of family and friends reunions and most importantly, the happiness of sharing all this with the ones we treasure the most!

With the usual high-performance materials and a modern design, this kitched was designed to adapt to diferente spaces and needs, due to the possibility of adding or removing accessories and modules. Available in diferente combinations of mettalic finishes and marbles.
